Dear Michael,

On behalf of the staff, patients and families of the Department of Pediatrics, I want to extend our deepest appreciation for bringing "Mikey's Way" to the kids at MSKCC. Your generous donation of electronics and gifts for our inpatients was a very special event that touched many lives. "Mikey's Way" is a remarkable demonstration of your generosity and thoughtfulness and an extraordinary gesture on the part of your family members and friends.

Many people take the time to remember the children and their families at Memorial Sloan-Kettering Cancer Center, but few do so while as involved as you all are in daily treatment demands. It is testimony to your generosity of spirit, your strength of character, and your overwhelming concern for others. Our patients will carry this message with them always.

Thank you all,

Sincerely,
