Dear Mr. Friedman:

On behalf of the Division of Hematology/Oncology's physicians and staff, we send to your our utmost appreciation for the abundance and quality of gifts delivered last week. Our patients will receive such pleasure from all the electronic toys, DVS, games, etc. that the Mikey's Way Foundation generously donated.

As you are aware, our patients receiving infusions spend considerable hours in our clinic; the diversity of your gifts will make their long stay in our area much more tolerable. The gifts meet the needs of the patients and will also let them share games with other patients, or their siblings, or their parents.

We extend our appreciation and are so pleased to be recipients from the Mike's Way Foundation.

Sincerely,

Christopher N. Frantz, M.D.
